

“SWINGING GOLF” GAME RULES

Set up Game 25 feet apart or 10 steps—Two people on a team with one team player on each end. Team who scored last always shoots first. Take turns throwing. The score is then figured from whatever is on the pipes when done throwing. Example: Team 1 scores 2 points and Team 2 scores 6 points so subtract 2 points from the 6 points thus Team 2 ends up with a score of 4 points for that round.

SCORING: Top pipe.....3 points
Middle pipe.....2 points
Bottom pipe.....1 point

- All balls must come from the air.
- No score if ball hits the ground first.
- No score if rope wraps around side of pipe.
- No score if rope is not over the pipe.
