

SOUTHERN IDAHO CAMPOUT Agenda

Emmett City Park September 22 – 26, 2021

NOTES:

*** TOTAL COST for this campout is \$25 per rig... no matter how many days you attend. Please bring your RV's license number when you register.**

***Fill your water tank before you come.**

*** We are not allowed to use the fireplace this year. If you want to use a propane campfire, check with Tom FIRST. (We don't want to leave scorched grass in the park.)**

***We will have power for the first 30 rigs. 30 amp receptacles are very limited, but there are plenty of 20 amp. Make sure you have an *adaptor plug* to go from your rig to 20 amp. It is also suggested you have at least 50 ft of power cord. *Emmett city does not allow the use of AC, electric heaters, or fireplaces.* Yes, this applies to everyone...please don't test it. (If you have a concern call Tom @ 208-866-2949.) **IF YOU NEED/WANT FULL HOOK-UPS**, there are two city RV parks available. Check your internet for Emmett camping info.**

*Please remember to bring treats to the hospitality table, next to the fireplace, for morning coffee and afternoon breaks. (There will be two plastic tubs for storing the goodies and thwarting the critters from sampling.)

*Emmett Senior Center (719 S Johns Ave) serves an excellent lunch each weekday. They begin serving promptly at 12:00, so be there by 11:45 if you want to claim a seat. You will need to **sign up THE NIGHT BEFORE** on the clip board by the fireplace. (I need to give them a count of how many will attend **by 9:00a.m.**) There is a menu on the same clipboard, so you can see what is being served each day.

******The road to the Senior Center (Johns Ave.) is CLOSED. When you arrive on Wednesday there will be directions for an alternate route.**

* Southern Idaho Campout **doesn't have game equipment**. If you're interested in playing, have your own, and would like to share what you have, feel free to recruit willing players!
